Einstein from TATUNG. Sheer genius from around £499. The complete colour micro with no hidden extras. And with no hidden software, unlike some other new computers.

Right now you can get your hands on both Einsoft and Einsoft Approved Software. An immediately available range that's every bit as versatile as Einstein itself. "Einsoft" is our own software, designed and prepared for Einstein by TATUNG.

Kuma, Crystal Research, Digital Research and Solo are some of the country's leading software houses now writing superb software packages for Einstein, and TATUNG has

complete confidence in recommending those packages which bear the "Einsoft Approved" seal.

So from today you can explore the genius of Einstein with software covering a tremendous range of applications. From word processing, database and home economics to education, languages and games. And there's plenty more coming all the time.

Einstein from TATUNG. Sheer genius at home. At work. At school. And now at your local stockist.
